Re: *The Wave Studio, LLC v. General Hotel Management Ltd., et al.*,
Case No. 7:13-cv-09239 (CS) (VR)

Dear Judge Reznik:

I write on behalf of American Airlines, Inc. in response to the Court's Memo Endorsement, dated September 23, 2024. See Dkt. No. 390. The Court directed the individual Defendants to submit a letter to the Court (individually or jointly) stating whether they intend to serve a Supplemental Memorandum of Law, which would accompany Defendants' Omnibus Motion to be served by November 15, 2024. *Id.*

American Airlines responds that it does not intend to file a Rule 12 motion pursuant to Section 1 of the Court's September 5, 2024 Order or to serve a Supplemental Memorandum of Law, and instead participate in the stay provided under Section 2 of the Court's September 5 Order. In keeping with the September 5 Order, American Airlines intends to preserve and expressly refrains from waiving its rights to assert all claims or defenses. See Dkt. No. 384, § 2(b) ("Defendants who elect not to file Rule 12 motions on the threshold issues . . . do not waive their right to assert any claims or defenses later in the normal course of the case, and in accordance with the Federal Rules.").

Respectfully submitted,
